MOTOMCO  
FARM & HOME

TOMCAT MOUSE ATTRACTANT can enhance the effectiveness of any mechanical trap. It has a desirable, gel-like consistency and "no-mess" spout making it the perfect alternative to cheese or peanut butter. PLUS, its taste is irresistible to mice and rats while being non-toxic to children and pets.

**ATTRACTS MICE**  
ATRAE RATONES

**How To Use...**

1 Place a small, pea-sized amount onto appropriate area of trap.

2 Position trap in areas of identified activity.

3 Monitor traps for activity. Move traps and/or rebait as necessary.

**USE TO BAIT ANY TRAP**

- Better than cheese or peanut butter
- Improves trap effectiveness

PLASTIC SNAP TRAPS

► Enhances effectiveness of any mechanical trap

► Pre-mixed & ready-to-use

WOOD TRAPS

► Mejora la efectividad de cualquier trampa mecánica

TRAP

► Pre-mezclada y lista para usarse
