RAMPAGE®

ACTIVE INGREDIENT: BROMETHALIN

When infestations are high and rodent control is critical, trust RAMPAGE:
a preferred Bromethalin bait with Poultry & Swine Producers

SOFT BAIT

- A non-anticoagulant bait, RAMPAGE Soft Bait knocks rodent populations down to a manageable level
- Less bait required versus anticoagulants
- Palatable, oil-based formula won't freeze or melt
- 8g sachet, 454 sachets per pail

All-Weather BAIT CHUNX

- Each 30gm placement (2 blocks) kills up to 3 rats*
- Each block kills up to 6 mice*
- A critical part of your bait rotation program

Rodenticide PELLETED BAIT & PLACE PACS

- Place Pac protects bait from natural elements
- Keeps bait fresh while still releasing aroma to entice rodents
- Fits easily in tight areas

MEAL BAIT

- Our most palatable bait form; offers a variety of appealing textures and flavors
- Excellent option when faced with competing food sources

*Based on no-choice laboratory testing
