MOTOMCO®

FARM & HOME®

TOMCAT HEAVY DUTY Mouse Traps are the most advanced mouse trap design available today. It combines aggressive capture and holding capabilities with a host of user-friendly features, making it ideal for home and farm use.

### How To Use

Remove bait cup by turning counterclockwise from bottom of trap.

Bait trap with peanut butter or TOMCAT Mouse Attractant Gel (sold separately).

Set trap by pressing on back side (grooved area) until it clicks.

Place trap in areas where mice have been observed, but out of reach of children and pets.
