

# TITAN™

## Weighted Bait Station

Meet Titan, the Weighted Bait Station from Tomcat designed to make implementing your Rodent Control program simple, fast and effective.

MADE IN USA

- Titan bait stations are ready-to-go and require no additional securing thanks to a pre-installed custom brick
- Weighted stations are less likely to be disturbed by livestock & stay in place during clean out
- Removable tray for faster bait replacement: saves time and labor costs
- Single key locking mechanism, can be used keyed or keyless
- Holds up to 8 x 1oz Chunx on 4 Vertical rods, 2 Rat Traps or 2 Heavy Duty Mouse Traps
- Perfect for new construction – durable, heavy-duty plastic will last for years

## Bait Stations

The Titan™ is the top of the line option in the complete assortment of Tomcat® Bait Stations preferred by producers for their security, versatility and durable, long-lasting construction. Bait stations are required by the EPA for any outdoor, above-ground baiting application. Tomcat® bait stations increase the effectiveness of any bait by protecting it from the elements and providing a sheltered area where rodents feel comfortable feeding.

### Bullet

- Removable tray for easy cleaning
- Station can be used keyed or keyless
- Low profile
- Meets EPA Tier 1 standard for child, dog, and weather resistance

DESCRIPTION	CASE PACK	ORDER CODE
Tomcat Bullet	6	33432
