

TOMCAT® BAIT STATIONS

SAFETY AND SECURITY FOR ANY BAITING SITUATION

TOMCAT Bait Stations provide security by keeping bait out of reach of children, pets, livestock and non-target animals. Bait Stations increase the effectiveness of any bait by protecting it from the elements and providing a sheltered area where rodents feel comfortable feeding. Tomcat stations come in a variety of different sizes and can be used for either rats or mice.

- Tamper-Resistant stations keep bait away from children, pets, livestock and wildlife
- Tomcat Bait Stations come in a wide variety of sizes and designs for any baiting situation
- According to EPA regulations, Bait Stations are mandatory for all outdoor, above-ground baiting applications
- Rugged, heavy duty construction will last for years
- Can be used indoors and out for either rats or mice
